National Payment Processing Procedure and Requirements

Requests for Free Placement Wireless Terminals require an explanation as for why terminal is needed. Approval is subject to review.

Requests for Free Placement Dual Comm / IP Terminals require an explanation as for why terminal is needed. Approval is subject to review.

Requests For "Overstock Special" priced Equipment are subject to review.

At Retail locations, IP Terminals are available for Free Placement if an Ethernet Line is the ONLY dial out form available at a location.

IP terminals are available for Free Placement at Restaurants regardless of the the phone lines available for use.

Only 1 Free Terminal Placement is allowed per location, and must be requested within the first 30 days of the account being open.

Only 1 "New Account Special" Priced Terminal is allowed per location, and must be requested within the first 30 days of account opening.

Free Placement and "New Account Special" priced terminals can not be ordered for the same account.

All other requirements or details regarding Free Placement and Special Price terminals can be found next to the price in the Guide above.
